

TABLE OF CONTENTS for CD-ROM RW10-9229 RWA 2005 ANNUAL CONFERENCE

This Table of Contents is provided to assist you when your MP3/CD player displays only track numbers for the MP3 files on your CD-ROM. The corresponding MP3 audio file numbers are also listed for ease of locating a session on the CD-ROM that you want to convert to a standard audio CD.

To play a particular session on your MP3 player, use this table of contents to locate the session title and its corresponding track(s) on the CD-ROM. (For example, session 10-18 would show up as track 8 on your MP3 Player). Then, cursor through on your player's display to the track number and press the play button.

The Day/Time column is for cross referencing a session on the CD-ROM with the "RWA Workshop Handouts" book. Not all session have handouts.
